Southwell Cross: La elegancia de la piedra en su máxima pureza.

La colección **Southwell Cross** de Ecoceramic se inspira en la piedra natural británica de Portland, destacando por su acabado uniforme y su estética equilibrada. A diferencia de su versión Vein, **Southwell Cross** ofrece un patrón más homogéneo, ideal para quienes buscan un diseño sobrio, minimalista y atemporal.

Su textura sutil y su tonalidad neutra permiten integrarlo perfectamente en cualquier estilo decorativo, desde espacios clásicos hasta los más vanguardistas. Gracias a su versatilidad, esta colección es perfecta para crear superficies armoniosas, transmitiendo una sensación de calma y sofisticación en suelos y revestimientos.

Formatos pensados para la perfección estética.

Para ofrecer soluciones adaptadas a cada proyecto, Southwell Cross se presenta en los siguientes formatos:

120x120 cm y 100x100 cm – Proporcionan uniformidad en grandes superficies, realzando la sensación de amplitud.
60x120 cm y 60x60 cm – Opciones versátiles que facilitan la combinación en diferentes ambientes.

Asimismo, Ecoceramic introduce **una versión pulida en 60x120 cm y 120x120 cm**, aportando un acabado brillante que realza la luz y la elegancia de los espacios.

Con **Southwell Cross**, Ecoceramic reafirma su compromiso con el diseño atemporal, ofreciendo un porcelánico de gran resistencia y sofisticación, ideal para quienes buscan belleza, funcionalidad y equilibrio en cada detalle.

EN

Southwell Cross: The Elegance of Stone in Its Purest Form.

The **Southwell Cross** collection by Ecoceramic is inspired by the natural Portland stone from the UK, featuring a refined, uniform finish with a perfectly balanced aesthetic. Unlike its Vein counterpart, **Southwell Cross** offers a more homogeneous pattern, making it ideal for those seeking a minimalist, timeless design.

Its subtle texture and neutral tones allow it to blend seamlessly into any decor style, from classic interiors to cutting-edge contemporary spaces. With its versatility, this collection is perfect for creating harmonious surfaces that evoke a sense of calm and sophistication in both flooring and cladding applications.

Formats Designed for Aesthetic Perfection.

In order to offer solutions adapted to each project, Southwell Cross is available in the following formats:

120x120 cm & 100x100 cm – Providing seamless coverage for expansive spaces, enhancing the perception of spaciousness.
60x120 cm & 60x60 cm – Versatile options that easily adapt to different settings.

Additionally, Ecoceramic introduces a **polished version in 60x120 cm and 120x120 cm**, offering a high-gloss finish that enhances brightness and elegance within any space.

With **Southwell Cross**, Ecoceramic reaffirms its commitment to timeless design, delivering a porcelain tile that embodies both durability and sophistication, ideal for those who value beauty, functionality, and balance in every detail.

SOUTHWELL CROSS

Southwell ofrece una estética depurada y sofisticada, disponible en dos interpretaciones: Cross y Vein, para quienes buscan superficies uniformes o suavemente veteadas.

La colección incorpora revestimiento en pasta blanca con decorados de relieve sutil, aportando profundidad visual sin romper la continuidad.

Southwell offers a refined and sophisticated aesthetic, available in two interpretations: Cross and Vein, designed for those seeking either uniform surfaces or softly veined textures.

The collection includes white-body wall tiles with subtle relief decorations, adding visual depth while preserving surface continuity.
